Special Regulations

- Jams and jellies should be presented in MINIMUM 250g jars.
- Sauces should be presented in MINIMUM 300ml jars.
- Lids must be plain, without handwriting or commercial printing. Cover the advertising with paper, contact or paint to hide the original printing. Jars must not be sealed with wax or gladwrap.
- Jars must be labelled where specified.
- Jam Collections must be of the same size and shape.
- You may enter more than once in any class, however each entry must be from a different batch.
- Any exhibits not complying with the Special Regulations may not be judged.

Hints

- Make sure to place your entries in the correct classes, this is your responsibility.
- Do not overfill or under fill jars.
- Jams should be firm and not over cooked.
- Consistency is important. Sauces should be of pouring consistency while relishes should be of spreading consistency.
